

Hello,

My name is [NAME] and I am a resident of [CITY, COUNTY, OR STATE], residing at [FULL ADDRESS].

I am writing in as an advocate for the [Autoimmune Association](#). March is Autoimmune Awareness Month! I would be honored if [CITY, COUNTY, OR STATE] would issue an official proclamation to recognize March as Autoimmune Awareness Month to demonstrate support for those in our community who are living with an autoimmune disease, such as myself.

When local, county, and state governments officially recognize March as Autoimmune Awareness Month, it signals a commitment to advancing education, research, and understanding. Each proclamation helps:

- Raise Awareness: Educate the public about the impact of autoimmune diseases.
- Support Advocacy: Encourage better healthcare access and funding for research.
- Amplify Voices: Highlight the personal stories of those living with autoimmune diseases

I have attached sample proclamation language for your consideration.

If you or your staff have any questions concerning the request, please contact me at this email or call me at [PHONE NUMBER].

Thank you for your consideration of this special request.

Sincerely,

[NAME]
